Post Application Submission

The screenshot shows the EMARATAX Corporate Tax Registration dashboard. The header includes the EMARATAX logo and the text 'إمارات تاكس' and 'الهيئة الاتحادية للضرائب'. The main content area displays 'Application Submitted Successfully' with a status of 'Submitted'. Below this, the following details are listed:

- Entity Name : Bhanu
- Applicant Name : bhanu prakash
- Reference Number : 101000064267
- Submission Date & Time : 23 January 2024, 16:49 GST

At the bottom, a 'What's Next' section states: 'Processing your application: Your application will now be reviewed by the FTA. If we require more information to assist with our review, you will be notified. You will need to provide the information requested in order for us to continue processing your application.'

After your application is submitted successfully, a Reference Number is generated for your submitted application. Note this reference number for future communication with the FTA.

What's next?

- Once the application is submitted, the FTA shall approve, reject or resubmit for additional information and notify the applicant accordingly.
- If the FTA requires any further details from you in order to assist with the verification of your application, you will receive an email notification setting out the information required from you.
- Once the FTA confirms acceptance of your application, or if the FTA rejects your application, you will be notified on the decision.
- The status of your application in the dashboard will be updated accordingly. You may check your application status in the dashboard from time to time.

Step	Action
(1)	- Click 'Download' to download a pdf copy of the acknowledgement screen. - Click 'Back to Dashboard' to navigate back to the dashboard.

Correspondences

Taxpayer receives the following correspondences:

- Application submission acknowledgment.
- Additional information notification (only if the FTA requires more information to assist with their review of the application).
- Application approval or rejection notification.
- Reminder to complete the draft application (only if the applicant fails to take action on a drafted application within the regular time period).
- Reminder to provide additional information (only if the applicant does not respond to the FTA's request for additional information within the regular time period).
- Draft application auto cancellation notification (only if the applicant fails to take action on a drafted application within a particular time period).
- Application auto rejection notification (only if the applicant does not respond to the FTA's request for additional information within a particular time period).

Application History - In-Review

Once the Taxpayer submits the application for Registration of deactivated Corporate Tax TRN, the application will be sent to the FTA for review and the status of the application will be 'In-Review'.
