# Making Payments in EmaraTax

Making payments in EmaraTax

1

Login to your account on EmaraTax

2

Select the taxes and/or penalties you want to pay

Payments can be made either via GIBAN or MagnatiPay

3

For GIBAN payments, you must generate a unique payment reference number

For MagnatiPay, you can pay using prepaid, debit or credit cards issued by VISA and Mastercard.

4

When making a GIBAN payment, you must provide the relevant GIBAN, unique payment reference number and the corresponding amount payable

Key points:

If you are...	You must..
Making GIBAN payments from a UAE based bank or financial institution:	Include the relevant GIBAN, unique payment reference number and the corresponding amount payable when making payment in order for it to be received by the FTA, otherwise the payment will not be accepted.
Making GIBAN payments from a foreign bank or financial institution:	Include the relevant GIBAN, unique payment reference number and the corresponding amount payable when making payment. Making payments without this information will result in your pre-selection of liabilities being disregarded and your payment will be allocated strictly on the basis of due dates starting with the oldest liability first.
Making an advance payment towards any future liabilities via GIBAN:	First generate a unique payment reference number in EmaraTax. The advance payment amount will be allocated strictly on the basis of due dates starting with the oldest liability first. You can only make this type of an advance payment after first settling all existing liabilities for that tax type.
Making an advance payment specifically towards your immmediate next tax filing via GIBAN:	First generate a unique payment reference number in EmaraTax. The advance payment amount will be held on account until the return is filed. Any excess amount after allocation towards that return, will then be allocated to any other outstanding or future liabilities for that tax type strictly on the basis of due dates starting with the oldest liability first.
