Refunds on EmaraTax

If you are a Business Visitor, the process of submitting and tracking the status of your refund application online has been further enhanced. Details on how to submit a refund request mentioned below.

Steps for a refund request

1

Login to your account on EmaraTax

2

Select special refunds to apply for the business visitor refund and familiarize yourself with the application guidelines.

3

Choose the country where your business is registered¹ and complete your application including expense² and bank details³.

4

Your refund request will be reviewed by the FTA. You may check the status of your application on your dashboard.

¹ If your country is not on the list, you can raise a request to add your country.

² If you are populating the expense details online, you must provide the transactions on a line item basis. If you are populating the expense details offline, you must upload the template back to EmaraTax.

³ If you have a foreign bank account, you must enter the details manually and provide a bank validation letter.
